THE WORLD OF INTERIORS

1. With the aim to drive widespread adoption of economically efficient practises for consumption, **VASSHIN COMPOSITES** designed and created their wide range of eco-friendly and bio-based, durable tableware. Each product is made entirely from pine needles sourced directly from the Himalayan mountains, actively helping to prevent forest fires in this region! Discover more at www.agrocomposites.com and follow @agrocomposites on Instagram.

2. Established in 1946 and headquartered in San Francisco, **BIORDI ART IMPORTS** offers an elegant selection of handcrafted, heirloom quality ceramics from Italy. This new vase collection from Doriana Usai, a fifth generation ceramist from Sardinia, is rigorously fashioned on a lathe and hand painted with 24 karat gold. The artisan craftsmanship of this collection will be a distinctive Biordi treasure heirloom.
